The Mid Atlantic Super Comp Association will mark its 10th full season of Competition in 2019. The main purpose of MASCA is for Super Comp Racers to sharpen their skills on the off weekends from the NHRA tour. The 2019 season will feature 10 races on 5 different weekends to help racers offset the cost of towing. We will offer 1 race on Saturday and 1 on Sunday and will run all 5 weekends with the Mid Atlantic Super Gas & Street Association to help drivers who have multiple cars in different classes.
